By signing this Application, it is agreed that payment on all accounts, charge sales or work orders are **due and payable no later than 30 days after receipt** of the order. An interest of 2% per annum will be applied on any unpaid or outstanding balance. Should litigation or collection action be necessary or result due to default of payment of balance of account (plus any interest due) all legal court expenses, and any and all other reasonable expenses incurred by A.C.T (Advanced Coolant Technologies), or authorized agent to enforce payment of the balance on this account, will be paid by the party whose signature appears hereon. The party signing this agreement acknowledges that he/she has full authority to act as agent for the party in whose name is on this application. The party whose signature appears acknowledges and agrees to the terms. Payment is accepted by cheque or direct deposit. A min of \$30.00 is charged on all NSF payments.

I, _____ acting as mandatory of _____
declare having read each provision of this credit application including the general sales conditions of A.C.T (Advanced Coolant Technologies) and declared that all the information contained in this application is true. In addition, I declare having understood the contents of this agreement and that all of the explanations that I asked for were given and I personally guarantee the respect of these sale conditions.

This agreement is written in the Province of _____ and dated this _____
day of _____ 201_____
